

## Title (Times New Roman 14 points, bold)

Powder Engineering Univ. ○I. Funtai, J. Funtai, S. Funtai

### 1. Introduction

The abstract of each presentation, including figures and tables, should be prepared 2 pages in A4 size. Please write the main text using Times New Roman at 10 points or larger. The standard format is 2 columns with 48 lines/column. The margins should be 25 mm each on the top, bottom, left and right. Reasonable modification of the format is allowed. You may use color for text, figures and tables. High resolution photos and figures suitable for print are required. Please be careful not to make characters or symbols in figures or tables too small. Symbols representing physical quantities and variables used in mathematical formulas, etc. should be written in italics, and superscript/subscript characters should be of appropriate size to ensure legibility. If your abstract exceeds 2 pages, please contact the secretariat (office@sptj.jp).

### 2. How to prepare your abstract

#### 2.1 Presentation information

As shown in this template, at the upper left corner of the first page, leave a space of 25 mm from the left margin of the first line to put the presentation number. Please select your presentation type from "Invited lecture", "Research Report", "Technical Report", and "Technical Data" on the first line and delete the others. Leave one blank line and write the title in 14 points with the center alignment. Leave one blank line below the title, and write the name and affiliation of the authors with the right alignment. Please be sure to mark with a circle in front of the speaker's name. If necessary, you

can write the speaker's information in multiple lines. Only in the footer of the first page, write the speaker's name, contact phone number, and e-mail address in one line. Format your name as follows: first name (starting with a capital letter, followed by lowercase letters), and family name (all capital letters).

#### 2.2 Main text

Please start the main text with one blank line below the presenter's name and affiliation. From the second page onwards, start writing from the first line.

### 3. Submission of your abstract

Please submit your abstract file using the designated abstract submission form. Only PDF or Word files (.pdf, .doc, or .docx) with a file size of 3MB or less can be acceptable. The pre-registered number, e-mail address and password are required for submission of the abstract file. Please complete the application for presentation in advance. The abstract file can be overwritten by re-submitting a revised version any time before the deadline.
